Gentlemen:

In accordance with your request of July 15, 1985, the authorization granted by the Secretary of the Army on August 19, 1981, to dredge by clam-shell, construct a wharf and install three dolphins in the Duwamish River at Seattle, Washington, is hereby specifically extended to August 19, 1986.

The conditions of authorization remain in full force and effect except the time limit for completion.

If the structure or work authorized is not completed on or before the date herein specified, the authorization, if not previously revoked, will cease and become null and void. You are cautioned that further requests for time extensions will require a full public interest review including a Corps public notice.

BY AUTHORITY OF THE SECRETARY OF THE ARMY:

William Blaggs
for Roger F. Yankoupe
Colonel, Corps of Engineers
District Engineer
